How we guarantee success of DIGINNO
et al? How we move results to real life?

How we guarantee success of DIGINNO et al?

How we move results to real life?

- There will be useful results, but to reap the benefits we need real life implementation
- We can try to learn from PEPPOL, STORK and other large scale pilots, but

- We don't have answer

- Yet

What is the key to success?

TRUST
