Harnessing the Ecosystem Economy

Manufacturing Performance Days 2019

It's time to book June **4th - 6th 2019 for the seventh Manufacturing Performance Days!**

This executive and visionary industrial summit will bring together manufacturing industries, researchers as well as technology and service providers from all around the world to meet and exchange views in Tampere, Finland. In 2019 more than 800 participants are expected to attend.

MPD 2019 will offer views of top class invited speakers from leading industry and academia on latest trends and achievements in industry digitalization, business leadership and the future of work in the era of ecosystem economy - the next frontier of industry.

Please mark the dates in your calendar! More information will be published later.

The warmest Welcome!

Tomas Hedenborg

Chairman of the Organising Committee
